Certificate No.: AJA15-0048

DEPARTMENT ADVISORY NO. 03
Series of 2018

In light of the Boracay Island's reopening on 26 October 2018 and in consideration of the influx of BEEP Adjustment Measures Program (AMP) applications facilitated and processed by DOLE Regional Office VI, this Department shall cease processing new applications from workers whose names are not included in the database of profiled affected formal sector workers.

As the number of BEEP AMP applications exceeded the fund allocation for the program, priority shall be given to those who were profiled and verified.

DOLE Regional Office VI is hereby directed to take the necessary steps to ensure that this information is widely disseminated to all affected formal sector workers.

Be guided accordingly.
